

MULTI-CROP HARVESTER

8520

Oxbo proudly introduces the next generation 8520 multi-crop harvester. Loaded with many new improvements for the ultimate in-field performance. Now equipped with an EU Stage V engine, in compliance with global emission, the 8520 provides the operator with even more power and increased fuel economy. Meet the new and improved 8520!

This powerful harvester is built with versatility in mind. The 8520 can easily adapt to a variety of crops and field conditions, offering flexibility without compromise. Upgraded in-cab features include an improved armrest switch layout, new ergonomic control handle and touch screen displays. Coupled with the superior fuel economy and increased torque, the operator has more command and control of the harvester than ever before.

FEATURES

- ✓ Capable of harvesting green beans, sugar snap peas, edamame, sweet corn and seed corn
- ✓ Unrestricted crop flow with **46" conveyors**
- ✓ **Large capacity feeder house**
- ✓ **586 cubic foot dump box**
- ✓ Easy to use **ergonomic joystick controls**
- ✓ **FleetCommand** telematics
- ✓ Multiple configurations available to custom fit to your needs

SPECIFICATIONS

Dimensions		
Length without header	27ft 4in (8.33m)	
Width without header and ladders*	10ft 11.5in (3.34m)	
Height	12ft 3in (3.73m)	
Wheelbase	14ft 9.25in (4.5m)	
Inside turning radius	11ft 11.5in (2.69m)	
Ground clearance	2ft (61cm)	
Tires		
Front tires	900/60R32 Michelin MEGAXBIB	
	800/65R32 Michelin MEGAXBIB	
Rear tires	23.1x26 Forestry Firestone 14ply	
	620/75R26 R1 Michelin MEGAXBIB	
Engine	Tier 4	Tier 3 (available for export only)
Engine model	Scania 9.3L Tier 4F/EU Stage V	John Deere 9L
Horsepower	375@ 1850 rpm (276kW)	350hp @ 2200 rpm (261kW)
Dump Box		
Volume	586ft ³ (16.6m ³ .)	
Dump box lifting capacity	16,000 lbs (7,258kg)	
Dump height to dump box lip	8ft - 14ft 1in (2.44m - 4.29m) without extension	
Dump angle	43 degrees	
Dump reach without extension	2ft 8in (0.81m)	
Tank Capabilities	Tier 4	Tier 3 (available for export only)
Fuel	250gal (946L)	250gal (946L)
DEF	10gal (38L)	NA
Hydraulic reservoir	70gal (265L)	70gal (265L)
Cooling system	20gal (75.7L)	15gal (56.8L)
Crankcase	9.5gal (36L)	8gal (30.3L)
Harvesting Head Capabilities		
Beans (green beans, sugar snap peas & edamame)	Oxbo 3159 head	
Sweet Corn	Oxbo 3000 or 60 series (9 row max)	
Seed Corn	Oxbo 3000 or 60 series (9 row max)	

*Configuration will change width depending on catwalk options chosen
